**WE** are bringing together hundreds of people with disabilities and their families in Southern Arizona with nearly a hundred service providers and businesses for what has become a “signature” event for Tucson. For all those dealing with a disability and asking themselves “What’s next?...” this will be a one-stop shopping opportunity to find those answers. There will be vendors, providers, and informative seminars held throughout the day.

You can be a huge part of this one-of-a-kind event by becoming a sponsor. You will get great exposure for your support of a great cause, helping the roughly 100,000 people living with a disability in Tucson.

The more sponsors we can get for **CONNECTING TUCSON**, the more advertising and exposure we can secure for our sponsors. Our advertising blitz is slated to potentially include Social Media, Bus Bench, TV, Newspaper, and Radio spots. In addition to our paid advertising, there will be loads of news and media coverage for this very special and important event. Consider the many advantages of having your business name associated with this worthwhile cause.

Don’t delay. Complete the *Sponsorship/Donation Registration Form* today!

*This form is also available to download as a two-page PDF document online at [www.ConnectingTucson.org](http://www.ConnectingTucson.org)*
